Circumstances of the service: Upon contacting Mr. Keck at the residence and initially asking for co-defendant Candace Keck, Mr. Keck was uncooperative and told the process server to return another time when Ms. Keck was at home. After explaining that the documents could be left with him, Mr. Keck declined to open the security door and take them. When Mr. Keck started to close the door, the process server advised him that he was being served and that he was leaving the documents at the door. After returning to his car and passing back by the residence, the process server noted that the documents were no longer in front of the door and were presumably retrieved by Mr. Keck.
